

DCI

Justice Douglas's 37-page booklet, "Freedom of the Mind," published by the American Library Association, is attached.

CIA is mentioned only on page 8 (marked) and covers two short paragraphs, being linked with the Pentagon.

UPI *to*
Interesting is how the WASHINGTON POST made CIA its headline and lead paragraph, followed by what Mr. Douglas has to say about sex, which normally would rate ahead of CIA in a news story.

14 December 1962
